

# Snow Canyon Men's Volleyball

Thank you for your interest in our competitive traveling team. Last year we finished in the Top 2 in three AAU Tournaments with one gold and two silver medals! We are looking to continue that success this season. Due to rise in tournament fees and the growth of our club, we will be charging a club fee of \$250 per athlete.

This fall/winter season will run from now through our last tournament on December 2<sup>nd</sup>, 2017. Because we have to give our commitment to tournament directors, there is no pro-rating of fees. Please notify coach if there are any conflicts with tournament dates. Our goal is to send two teams to each tournament. Players/families are responsible for travel to/from tournament locations unless coordinated with club as needed.

## Cost:

\$250 (\$16 AAU Membership\* is required & NOT included in club fees)

\*Please see back of sheet for AAU Registration Guide

Checks made payable to "Snow Canyon VBC"

## Includes:

- Club t-shirt
- Jersey rental
- AAU tournament fees
- Gym/facility fees
- Minimum of 2 practices/week
- Equipment as needed

One of our main team fundraisers is our **T-Shirt Sponsorship Fundraiser**. Information is provided on the attached sheet. If a player secures \$400 or more in sponsorships, their club fee is waived.
